CASS RIVER NURSERIES

SAGINAW, MICHIGAN

We invite you to drive to our Nursery at any time and see our stock. There is always something of interest to be seen each month, especially when the Peonies, and Lilacs are in bloom. Take advantage of our Landscaping Service in planning your grounds. We are glad to make suggestions, plans and estimate. We can also do your planting, pruning, spraying and lawn work, including grading, seeding and fertilizing.

"DOGZOFF"

If you are bothered with dogs, cats or rabbits, "Dogzoff" is the spray you need. It is a most efficient animal repellent and one spraying will last from three to four weeks. Not poisonous to plants and will not injure animals. Not offensive to humans. Its use is guaranteed to keep these animals from any place where they are not wanted.

"Dogzoff" is applied with any small insect sprayer and one application usually does the work.

"Dogzoff" will save its cost many times over around the garden and home.
